CONVERSATION STARTERS

Did you know? The ever-popular Botanic Garden pattern has been around since 1972, when Portmeirion artist Susan Ellis-Williams discovered a volume of beautiful, meticulously drawn floral illustrations in an antique shop. Using these illustrations as inspiration, Susan's initial designs for Botanic Garden included 28 different flower types – the pattern was an immediate success and remains one of the most popular tableware designs ever created. The lesson? Always look for inspiration – sometimes it's found in unexpected places.
