

Napa Time

Treat your guests to a night in Napa. Featuring casual, warm earthtones contrasted with dramatic, statement-making black, this Tuscan-rustic set transports every dinner party to a wine-lover's paradise. Uncork a few bottles, throw on the perfect Spotify playlist, and have a joyful night with friends that everyone will (hopefully) remember.

CONVERSATION STARTERS

Did you know? The Villeroy & Boch Intarsia pattern in this set takes its design inspiration (and name) from a wood inlaying technique that dates back to at least the 7th century. Family owned since 1748, Villeroy & Boch tenaciously survived the ravages and devastation of World War I and World War II to remain one of the world's largest producers of porcelain and ceramic. During its long and storied history, the company has made everything from tiles on the Titanic to table settings for the Vatican.
